

Sportshall Leaders (14+)

With an increasing focus on Leadership and Volunteering in schools, the Sportshall Leader modules offer ideal preparation for those wishing to lead, officiate or manage Sportshall activities.

Course Outcomes

By the end of the course candidates will be able to:

- Assist in the delivery of Sportshall activity, within both event and activity session environments
- Understand the importance of fun, safe and enjoyable activity for youngsters
- Feel confident in officiating Sportshall events, working with small numbers of youngsters
- Engage in Sportshall and practice their leadership, coaching, event management and officiating skills

The three modules are each two hours in duration and may be delivered as a group or in isolation.

Sportshall Officiating

The module offers a step-by-step overview of the rules of each Sportshall event. Leaders are supported in the interpretation and implementation of the Sportshall rules and consider the role of Sportshall Officials during competition.

Sportshall Coaching/Leading

Leaders will explore the basic principles of running, jumping, throwing and relays. The module also covers the Sportshall Agility Challenge and will support Leaders in planning and leading activity, including the setup and use of equipment.

Sportshall Event Management

The module is delivered in a classroom setting. Working in groups, leaders will investigate the broad scope of event management and develop this with specific reference to the delivery of Sportshall competition at a local level.

Tutor Pack

Sportshall Leaders modules may be delivered by PE teachers, Partnership Staff and athletics officials or coaches. The tutor pack is supplied in an electronic format and includes PowerPoint presentations, activity cards and module resources. The pack is available free of charge and prospective tutors should contact the Sportshall office.
