

WORLD MARATHON CHALLENGE 2014

1st October 2014

SAVE THE DATE - FREE ENTRY!

Join hundreds of other schools around the world and enter the World Marathon Challenge, a simultaneous relay in which teams of 26-36 children race against each other over the full 26.2 mile marathon distance. The World Marathon Challenge is aimed at Secondary Schools with a separate 5000m Challenge specifically for Primary Schools.

World Marathon Challenge and 5000m Challenge events are easy to organise and fun to take part in. Choose a date to suit your school or join teams from 40 countries around the world for our simultaneous grand finale on **Wednesday 1st October 2014**.

Help us make the World Marathon Challenge the biggest children's run in the world.
