

## Event Format

The Sportshall Secondary Programme offers an ideal format for competition in which young people may develop their skills ahead of the track and field season.

### Team Information

Each team should consist of a minimum of five athletes (girls or boys), with a maximum of eight athletes being permitted. All athletes are to be selected from school years 7 or 8. They may compete in a maximum of three track and two field events, drawn from the following:

#### On the track

---

2 Lap Individual Race	each requiring two athletes
4 Lap Individual Race	
8 Lap Paarlaf	

---

6 Lap Individual Race	requiring one athlete
Obstacle Relay	each requiring two athletes
4 x 2 Lap Relay	

---

#### ... and in the field

---

Shot	each requiring two athletes
Speed Bounce	
Standing Long Jump	
Standing Triple Jump	
Vertical Jump	

---

### Additional Information

Please note that athletes will not be permitted to compete in bare feet or unsuitable footwear. The Sportshall handbook incorporates details of all the events, including a full explanation of each event together with some teaching points. Visit [www.sportshall.org](http://www.sportshall.org) for further details along with event and competition rules downloads.

**Team Managers** are encouraged to note the running order detailed above and select their team accordingly. It is inappropriate for an athlete to contest both the 2 and 4 lap Individual Races or the 6 lap and 8 lap Paarlaf events since they follow immediately. There are fewer problems associated in contesting field events in the same group and additional time will be permitted for athletes covering two events in the field.
