County Qualification

Following the issue of guidelines on county qualification, there remain a few areas where these guidelines present local problems requiring further discussions. Sportshall has developed significantly in recent years, during which time many local practices have become established. We will continue to work closely with all concerned to ensure and assist in the adoption of these guidelines.

To qualify for county selection, an athlete should meet at least one of the following criteria:

- a. reside in the county
- b. attend school in the county
- c. be a member of an athletics club within the county

For reference a "Sportshall county" should follow the County Sports Partnership boundary.

Where an athlete qualifies for more than one county under the above criteria, the athlete may choose which county they represent. However, an athlete may compete for only one county in any Sportshall season. Please note that participation of a club within a local / county league, does not entitle athletes of the club to automatic qualification for the county.

From point of representation for a County team, Athletes must remain within the same age group and representing the same County for the duration of that Sportshall season. Athletes cannot change their age group or County during a season.

Other Information

Field Events

U11's will be permitted 3 trials at all field events unless otherwise stated.

U13's will be permitted 4 trials at all field events with the exception of speed bounce.

U15's will be permitted 3 trials at all field events with the exception of speed bounce.

National and UK Records - (u13 Team Challenge & u15 All-Rounder Competition)

The National and UK records only apply to the Sportshall UK Championships, therefore records may only be set at a Regional or National Final.

Officials

All teams are required to bring at least two officials to their regional event. Officials do not need to be qualified and indeed the competition provides an excellent opportunity for new/young officials to gain experience.
