These details are calculated on all athletes who compete in three events and the achievements gained are compared to the best of the last 10 achievements for that event and the percentage to this is found. The three percentages are then totalled and averaged to give a total out of 100 (or a percentage) this is then averaged over the athletes three events

**Acknowledgements**

We would like to thank All the helpers, Officials and coaches that assisted at the Above match, without them this could not be such a successful event

There were 145 young athletes attending this match with most of them competing in 3 or 4 events which made things rather busy especially on the Field Events,

Thanks to the following 33 Officials and Helpers who are all vital to make the event run smoothly many doing more than one activity
